CURRICULUM VITAE

Hemel Shikder
Diploma in Computer Engineering
Contact No: +8801756707016 **E-mail: hemelshikder03@gmail.com**

CAREER OBJECTIVE

Results-driven Computer Engineering professional with a strong technical foundation in full-stack web development, network engineering, and IT infrastructure. Adept at architecting modern SaaS applications, managing enterprise systems, and supporting complex ISP network infrastructure. Seeking to leverage technical expertise and operational insight in a challenging technology-focused role to drive organizational efficiency and system performance.

EXPERIENCE

Dynamic and versatile technical profile spanning modern web development, network architecture, enterprise ERP management, and end-to-end IT service delivery.

JOB EXPERIENCE

Data Entry Operator & Field Officer

Beximco Computers Ltd.
Working Place: Central Food Godown, Rajbari
Service Period: 2 May 2024 – 31 October 2025

Full Stack Web Developer & Software Builder

Freelance & Independent SaaS Projects
Service Period: Nov 2025 – Present

- Architected and deployed full-stack web applications and scalable SaaS platforms using modern web technologies.
- Designed responsive user interfaces, integrated RESTful APIs, and managed backend database infrastructure.

- Managed operational inventory, logistics data, and official documentation leveraging SAP ERP, Microsoft Excel, and government digital portals.
- Executed comprehensive data entry, record reconciliation, and reporting to maintain warehouse inventory integrity.
- Collected, verified, and audited field data while upholding stringent confidentiality and accuracy standards.
- Digitized physical documentation workflows and organized digital repository archives.
- Delivered technical hardware support and maintained continuous uptime monitoring for facility CCTV infrastructure.

Technical Support Engineer

Xplore Net BD, Rajbari (ISP Company)
Working Place: Alipur, Rajbari Sadar, Rajbari
Service Period: 1 February 2022 – 30 April 2024

- Provided end-user technical support for enterprise hardware including workstations, laptops, thermal/office printers, UPS units, and peripherals.

E-mail: **hemelshikder03@gmail.com**
Contact No: **+8801756707016**

- Deployed, configured, and troubleshot networking infrastructure, including routers, switches, wireless access points, LAN/WAN segments, and point-to-point radio links.
- Managed installation and troubleshooting of surveillance systems (IP Cameras, DVR/NVR), biometric attendance, and access control solutions.
- Monitored and optimized ISP core network operations utilizing Cisco managed switches and MikroTik edge routers.
- Diagnosed and resolved network bottlenecks and latency issues to guarantee maximum service availability and high customer satisfaction.

PROJECTS

Aqua Farm SaaS

- A comprehensive management platform designed for aquaculture operations, monitoring farm metrics, yield tracking, and resource allocation.
- **Technologies:** React, TypeScript, Tailwind CSS, Firebase, Node.js

LEO AI Assistant

- An intelligent virtual assistant web application featuring natural language interaction, automated workflows, and smart context retrieval.
- **Technologies:** Python, OpenAI API, React, TypeScript, FastAPI

Personal Portfolio

- Modern, responsive developer portfolio highlighting engineering expertise, technical skill set, and featured web applications.
- **Technologies:** React, TypeScript, Tailwind CSS, Vite

AAI Modina

- Custom web portal tailored for enterprise operations, streamlining internal data processes and user interaction models.
- **Technologies:** React, Node.js, Firebase, Tailwind CSS

SERVICES

- **Full Stack Web Development:** Building responsive, end-to-end web applications using modern frameworks and technologies.
- **UI/UX Design:** Designing intuitive, user-centric interfaces and seamless digital experiences.
- **Firebase Development:** Developing real-time backends, authentication flows, and cloud database integrations.
- **Networking:** Configuring, maintaining, and troubleshooting network infrastructure and ISP core systems.
- **IT Support:** Providing comprehensive hardware, software, and enterprise systems technical support.
- **Website Maintenance:** Ensuring continuous site performance, security updates, and feature enhancements.

TECHNICAL SKILLS

ERP & Enterprise Software

- SAP ERP – Data Entry, Record Management & Reporting
- SAP Data Verification & Documentation
- Government Online Portals (Data Submission & Updates)

Networking

- CCNA (Routing & Switching – Basic)
  - IP Addressing & Subnetting

E-mail: hemelshikder03@gmail.com
Contact No: +8801756707016

E-mail: **hemelshikder03@gmail.com**
Contact No: **+8801756707016**

- Routing & Switching (Static, OSPF, EIGRP – Basic)
- VLAN, Inter-VLAN, VTP
- DHCP, Wireless Networking
- Network Troubleshooting (Basic)

❖ MikroTik (MTCNA / MTCRE – Basic)

- Router Configuration & Management
- NAT, Firewall, Bandwidth Management
- PPPoE, Hotspot
- VPN (PPTP – Basic)
- Failover & Load Balancing
- OSPF, BGP (Basic)

ICT QUALIFICATION

- **Software** : Photoshop,Adobe Premiere Pro, Filmora
- **Device** : Cisco, MikroTik, OLT, CCTV, Fingerprint Attendance Systems, Switches, Routers, Modems
- **Operating System** : Windows (XP/ Windows 7,8,10,11) , Linux OS ,Mac OS
- **Microsoft office** : MS Word, MS Excel, MS PowerPoint
- **Internet Technologies** : SEO, SMM,

INTERESTS

- Exploring Emerging Technologies & Innovation
- Community Leadership & Volunteer Work
- Technical & Creative Writing
- Photography & Visual Design
- Travel & Cultural Exploration

PERSONAL ATTRIBUTES

- Collaborative team player with proven ability to thrive in cross-functional environments
- Strong analytical mindset and structured problem-solving aptitude
- Solid technical and IT troubleshooting skills
- Proven capability to work effectively under pressure and deliver in fast-paced settings
- Excellent communication and interpersonal skills
- Self-motivated, proactive, and innovative problem solver
- Eager to accept and overcome technical challenges

EDUCATIONAL QUALIFICATION

Diploma in Computer Engineering (Dip. in CSE)

Institute	:	Faridpur Polytechnic Institute, Faridpur
Board	:	Bangladesh Technical Education Board
